Finnspace is a hub for Finnish businesses in Dubai.

It is a collaborative offer by Business Finland and the Finnish Business Council (FBC).

Our mission is to offer a home base for the Finnish business community under one roof - a space to work, collaborate and find synergies for market entry and pathways to growth. It is also the new address for both Business Finland and FBC.

The offices are conveniently located in Dubai Marina Plaza adjacent to Marina Mall, with easy access to Dubai Expo 2020 site.

Benefits and services include:

- 1 Office, fixed desk in a shared office, or for infrequent users you can opt for a flexi desk.
- 2 Access to preferential rates to service partners such as hotels, airlines, shipping, relocating, transport and business services. A list of service partners can be found on our website.

We welcome new partners with relevant services to our FBC and Finnspace members.

Finnspace is open to existing and new corporate members of FBC.

If you are not a member of FBC yet, join now and benefit from our member network and our accumulated knowledge of operating on the UAE market and beyond!
