100 YEARS
IN KLAIPĖDA REGION

OPPORTUNITIES

FOR PARTNERSHIP

Dear Entrepreneurs,

Please find the Export Catalogue of the Klaipėda Chamber of Commerce Industry and Crafts members. The catalogue contains short profiles of the regional companies that want to expand their business relations in foreign countries. You will also find some information about Klaipėda Chamber of Commerce Industry and Crafts and the main economic data about the region of Klaipėda (Lithuania). We would be grateful for the circulation of the profiles among your clients and we remain at your disposal for any further questions regards the partnering opportunities.

All those, looking for business partners to enter new markets and able to work with foreign companies and Lithuanian business partners, are invited by the KCCIC to send a business co-operation request for a subcontractor, agent, distributor, importer and/or a joint venture partner in Lithuania and abroad. The request is disseminated among partners across Europe, local partners or directly to Lithuanian companies of a specific sector.

Yours faithfully,

General Director

VIKTORAS KROLIS

KLAIPĖDA CHAMBER OF COMMERCE, INDUSTRY AND CRAFTS

100 YEARS

The Chambers of Commerce, Industry, and Crafts of Lithuania are **non-state, non-profit self-governing entrepreneurial organizations** that effectively participate in the international system of chambers of industry and commerce. The Chambers of Commerce, Industry, and Crafts operate in five major cities in Lithuania: Vilnius, Kaunas, Klaipėda, Šiauliai, and Panevėžys.

The Klaipėda Chamber consolidates more than **230 members** among which are the biggest companies of the region and representatives of small and medium-sized businesses.

Promoting the export and development of small and medium-sized business, the Chamber takes part in various **international projects and EU programmes**.
